Borrowing

Library users can borrow a maximum of ten items at a time for a four-week loan period.

Renewals

Items can be renewed twice for four weeks if the item has not been reserved. The first renewal can be made over the telephone, by email or in person. The second renewal must be in person and the item needs to be presented to the Librarian.

Holds

If the item you wish to borrow is already on loan, you can request a hold to be placed and you will then be notified when it is returned to the library. It will be held for two weeks for collection, and then be placed back into circulation if not collected.

Care of Resources

It is important that all resources be looked after carefully. Lost or damaged items must be reported to the Librarian who will issue an invoice to purchase a replacement. Membership will be suspended until payment is received.
